**Hand 2 Hand donations needed!** We are still collecting food including peanut butter, jelly, pancake mix, pancake syrup, & individual packets/boxes of instant flavored oatmeal. All jars or bottles need to be plastic & NOT glass, and smaller portioned bottles or single serving packages are best. Please place donations in the blue box in the Gathering Center or in the box at the drive-in venue. Thank you for your help in feeding hungry community kids on the weekends! For more info on this ministry, please visit the website: [www.h2hkids.org](http://www.h2hkids.org). Questions, or to make a monetary donation, contact Judy V.

**Free 2021 Calendar** and Pocket Calendars at the kiosk in the Gathering Center.

**When you give to the poor you are placing your gift directly into the hand of Jesus. For He said "Truly, I say to you, as you did it to one of the least of these; My brethren you did it to Me." (Mt. 25:40)**

**True North donations** - Let's fill our True North table downstairs by the doors with lots of food item, etc. this holiday season! The food pantry is in great need of all canned goods, cereal, toothbrushes, & baby formula. Call the church office if you would like to donate money (Gary S. will do the shopping for you), or with any questions.

**Kid's View of Angels**

1. I only know the names of two angels. Hark and Harold. Gregory, 5
2. I hear angels all the time in my dreams. And I'm sticking with that no matter how many people tell me I'm crazy. Molly, 8
3. Everybody's got it all wrong. Angels don't wear halos anymore. I forget why but scientists are working on it. Olive, 9
4. It's not easy to become an angel! First, you die, then you go to heaven. Then there's still the flight training to go through. And then you got to agree to wear those angel clothes. Matthew, 9
5. Angels work for God and watch over kids when God has to go do something else. Mitchell, 7
6. My guardian angel helps me with math, but he's not much good for science. Henry, 8
7. Angels don't eat but they drink milk from holy cows. Jack, 6
8. Angels talk all the way while they're flying you up to heaven. The basic message is where you went wrong before you go dead. Daniel, 9
9. When an angel gets mad, he takes a deep breath and counts to ten. And when he lets out his breath, somewhere there's a tornado. Regan, 10
10. Angels have a lot to do and they keep very busy. If you lose a tooth, an angel comes in through your window and leaves money under your pillow. Then when it gets cold, angels go north for the winter. Sara, 6
11. Angels live in cloud houses made by God and his Son, who's a very good carpenter. Jared, 8
12. All angels are girls because they gotta wear dresses and boys didn't go for it. Antonia, 9
13. My angel is my grandma who died last year. She got a big head start on helping me while she was still down here on earth. Katelyn, 9

 what no ear has heard,  
 and what no human mind has conceived"
